

# Registered Level

**This fitness facility has been awarded the Inclusive Fitness Mark at Registered Level;** recognising our commitment to improved customer service, policy and provision of accessible physical activity.

At this facility you can expect to find:

- Helpful, friendly staff who are disability aware and have a positive and welcoming attitude to inclusion
- Fitness staff present at all times who are trained to induct and prescribe exercise to disabled users, ensuring safe and effective physical activity
- Staff with a flexible approach to your individual needs
- An enhanced level of access; accessible approach to the facility, entrance reception, signage and route to the changing facilities and fitness suite
- Allocated accessible parking bays that are clearly marked
- Accessible toilet and changing facilities
- A range of fitness equipment and environment that enhances inclusion and provides access to a full body workout for both disabled and non-disabled people
- Accessible marketing to actively target disabled people within the community to use the facility. Leaflets and facility information produced and displayed to suit a range of customer needs
